Scouting was put to the test. A 3-year Tufts University study to measure character attributes showed Scouts are more likely to embrace positive social values than non-Scouts in important areas including hopefulness, helpfulness, obedience, cheerfulness, kindness and trustworthiness. 84% of Scouts say Scouting has helped them be more honest, better leaders and stronger team players..

Jamboree on the Internet/Jamboree on the Air

No Registration Needed

JOTI is an annual event in which Scouts and Guides from all corners of the world connect with each other through the internet. Digital signals carry their voices, pictures and messages all around the world. Connecting virtually with young people from other countries gives a feeling of the worldwide fellowship that scouting is.

When is it?

JOTI 2024 runs from 17 to 19 October. During this time, the internet will be buzzing with communication between Scouts and Guides from different countries.

How to take part?

To take part in Jamboree-On-The-Internet and experience the excitement of connecting virtually with peers across the globe, you only need access to a device like a computer, phone or tablet, and internet connection.

How to proceed?

Familiarise yourself with the programme ahead of time, to see, which activities you will find interesting.

During the JOTI weekend, take part in the activities, tune in to the live shows or meet fellow Scouts on our different channels.

Yes, it is that simple!

A vibrant poster for the Scouting America Jamboree 2026. It features a central illustration of a Scout in a blue shirt and red neckerchief, wearing a red helmet and rappelling down a rope. Surrounding him are other Scouts engaged in various activities: one is climbing a rock, another is on a bicycle, and others are in the background. The Scouting America fleur-de-lis logo is prominently displayed in the center. At the bottom, the text "SCOUTING AMERICA JAMBOREE 2026" is written in large, bold, blue letters with red and white stripes underneath. The background is a warm, golden-yellow gradient.
